

February 9, 1995 LB 48

SENATOR CHAMBERS: Madam President, members of the Legislature, Senator Schimek, may I ask you a question?

SENATOR CROSBY: Senator Schimek.

SENATOR SCHIMEK: Yes.

SENATOR CROSBY: No.

SENATOR CHAMBERS: You said without this, the emergency clause, the money will be available when?

SENATOR SCHIMEK: The following summer

SENATOR CHAMBERS: Oh, okay.

SENATOR SCHIMEK: I mean, I'm thinking of the tourist season.

SENATOR CHAMBERS: I understand. So with this then it will take effect immediately and they can have this extra money on hand this coming summer?

SENATOR SCHIMEK: Why do I have a feeling that I'm walking into a trap, Senator Chambers?

SENATOR CHAMBERS: That's all I was asking. I was going to ask something else but I'm looking at Senator Kristensen so I won't ask the other one, but so I really understand, this would just make the money available this summer that they could keep on hand in the parks.

SENATOR SCHIMEK: That is correct.

SENATOR CHAMBERS: Okay. What Senator Kristensen probably thought I was going to ask was then, if I'm a little strapped for cash, I can go there and stick them up this summer instead of next summer.

SENATOR CROSBY: Thank you, Senator Chambers. Any further discussion on returning to Select File? Seeing none, Senator Schimek, would you like to close? She waives closing. The question is, shall LB 48 be returned to Select File for a specific amendment? All in favor vote aye, opposed no. Record, Mr. Clerk.
